

Exhibitor Introduction

Name of Company	THE ONE CO LTD (EMAGTECH)	Company Logo
President	CHOI YUJIN	 <i>joins</i> 
Address	Bundang branch : 714, 3 Hwangsaeul-ro 240beon-gil, Bundang-gu, Seongnam, Korea	
Website	emgatech.co.kr	
E-mail	cstsupport@d-1.co.kr	
Tel.	+82-31-717-6866	
Contents of Exhibit	CST STUDIO SUITE (3D EM SIMULATION SOFTWARE)	
Exhibitor Introduction	<p>THE ONE supplies CST STUDIO SUITE, a 3D electromagnetic field solution within the SIMULIA brand of Dassault Systèmes, and provides technical support, training services and consulting service in the field of electromagnetic fields. We also provide products such as AntennaMagus for antenna design, FEST3D for filter and waveguide design and analysis and SPARK3D for breakdown analysis solution, and IdEM for creating broadband macromodel. We will always be doing our best to give the best results to our customers.</p> <p>THE ONE has extensive experience and expertise in 3D Electro-Magnetic field analysis in High Tech, Transportation & Mobility and Aerospace & Defense industries. Based on this experience, we have a better understanding of the CST Products within the SIMULIA brand of Dassault Systèmes and we can carry out professional support of the comprehensive solution for 3D electromagnetic field analysis of CST.</p> <p>If you have any questions or concerns regarding 3D electromagnetic field analysis, please do not hesitate to contact us.</p>
