

# ISAP 2024

## 2024 International Symposium on Antennas and Propagation

November 5/Tue. ~ 8/Fri., 2024

Songdo Convensia, Incheon, Republic of Korea

---

### Sponsorship & Exhibition Prospectus

---

## I. Greetings

On behalf of the Local Organizing Committees of ISAP 2024, we extend a warm invitation to join us at the 29th International Symposium on Antennas and Propagation (ISAP 2024), which will be held on November 5~8, 2024, at Songdo Convensia, Incheon, Republic of Korea. We, the Local Organizing Committee of ISAP 2024, are delighted that ISAP will be held again in Republic of Korea after 2005 (Seoul), 2011 (Jeju), and 2018 (Busan).

It's our honor to host such an excellent forum for academic and industrial participants at all career stages worldwide. We are also convinced that ISAP 2024 presents the perfect opportunity to exchange new technical/scientific achievements, demonstrate state-of-the-art technology, and establish and strengthen professional cooperation networks in antennas, propagation, electromagnetic wave theory, and related fields. We hope you will enjoy this symposium in Incheon, a city of unique tourism resources.

We are pleased to offer you an excellent opportunity to showcase your professional services and innovative materials and equipment through sponsorship and exhibition. We encourage you to actively capitalize on this conference to introduce and promote your products and services to a global audience. Additionally, this event provides a chance for international networking, allowing you to engage with participants from all around the world. We expect this opportunity will serve as a platform for enhancing the visibility and growth of your business.

Thank you very much.

Warm Regards,

**Prof. Young Joong Yoon**

General Chair, ISAP 2024

Professor, Yonsei University

**Prof, Choon-Sik Cho**

President, KIEES

Professor, Korea Aerospace University
